A Musical Tribute
to the 1982-83 school year at
Clearfield Area High School

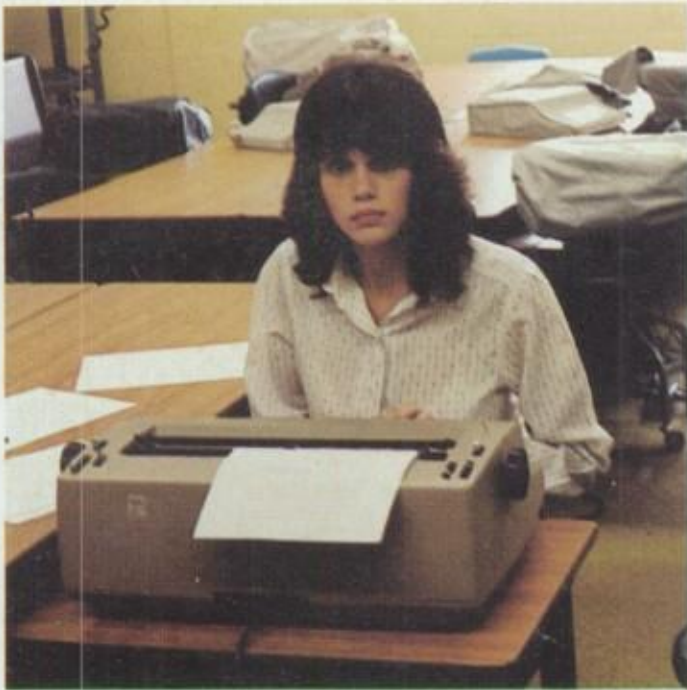

"Times Up"

by - SAGA

*I spend half of each day just eyeing the clock
And dream of all the things I'd like to do
n' nothing ever changes from day to day
I've just been guarding this desk for you
It's a mayday, It's a mayday,
There must be something else I could do
It's a mayday, It's a mayday,
Instead of guarding this desk for you*

Time's up!

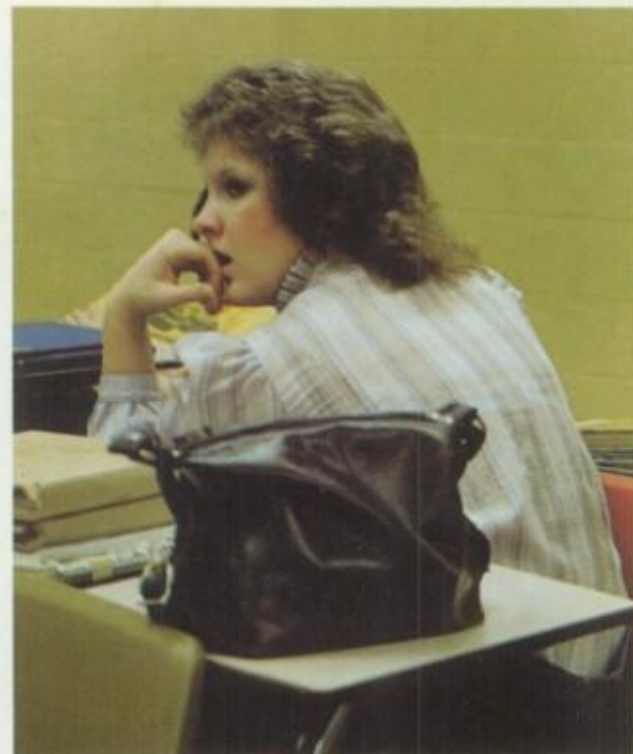

You've been wishing your life away

Time's up!

You've been wishing your life away

*I'm getting very tired of waiting for the weekend
Then there's nothing when it comes around
I need a little more excitement, give me some adventure
I don't know how you've held me this long
It's a mayday, It's a mayday
Time just marches on
It's a mayday, It's a mayday
I don't know how you've held me this long*

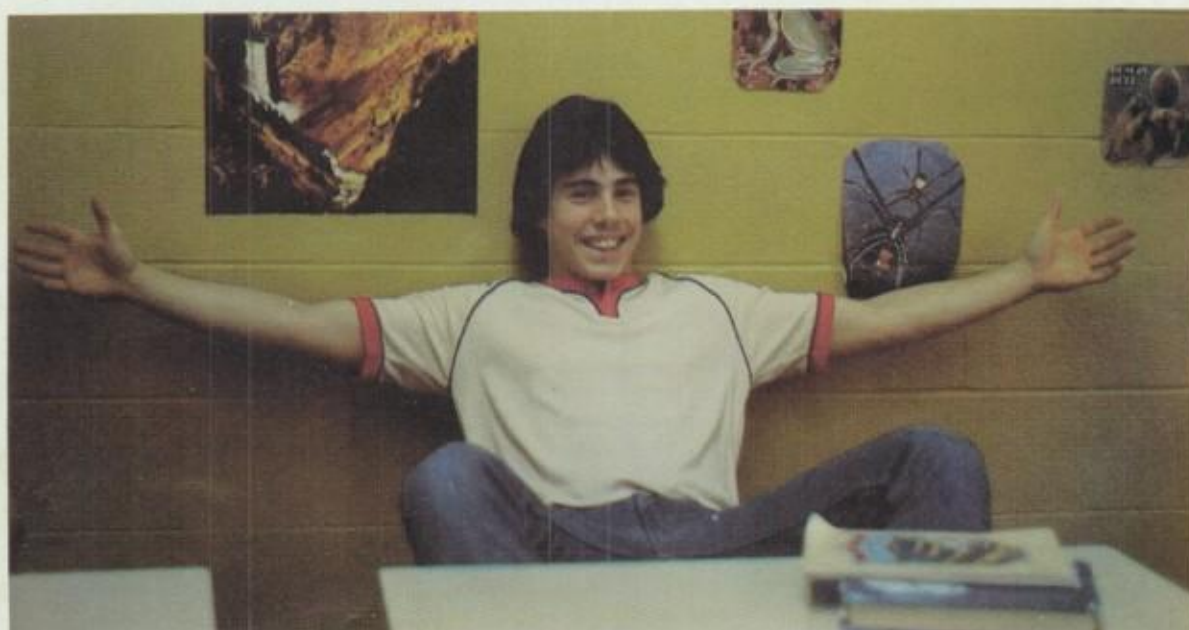

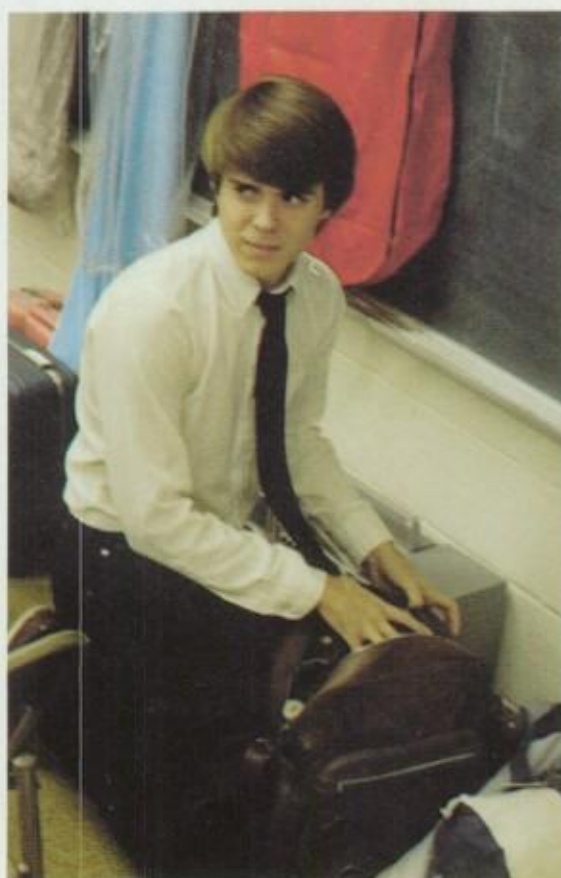

Time's up!

You've been wishing your life away

Time's up!

You've been wishing your life away

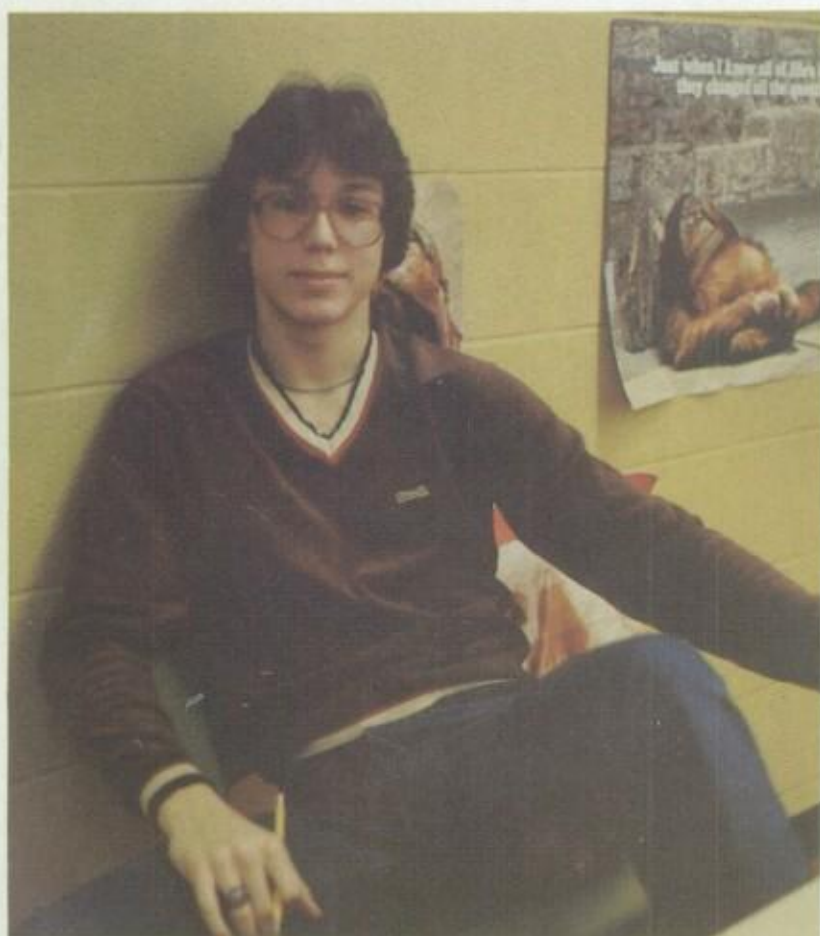

*Chances are chances and I know I've had a few
But at the time it just seemed wrong
Now I'm sitting here wondering, waiting
Watching out his window
And I'm sure my day will come
It's a mayday, it's a mayday
Time just marches on
It's a mayday, it's a mayday
And I know my day will come*

Seniors

See ya in town!

Did you hear
about the
new
rules?!

Are you going
to school tomorrow?

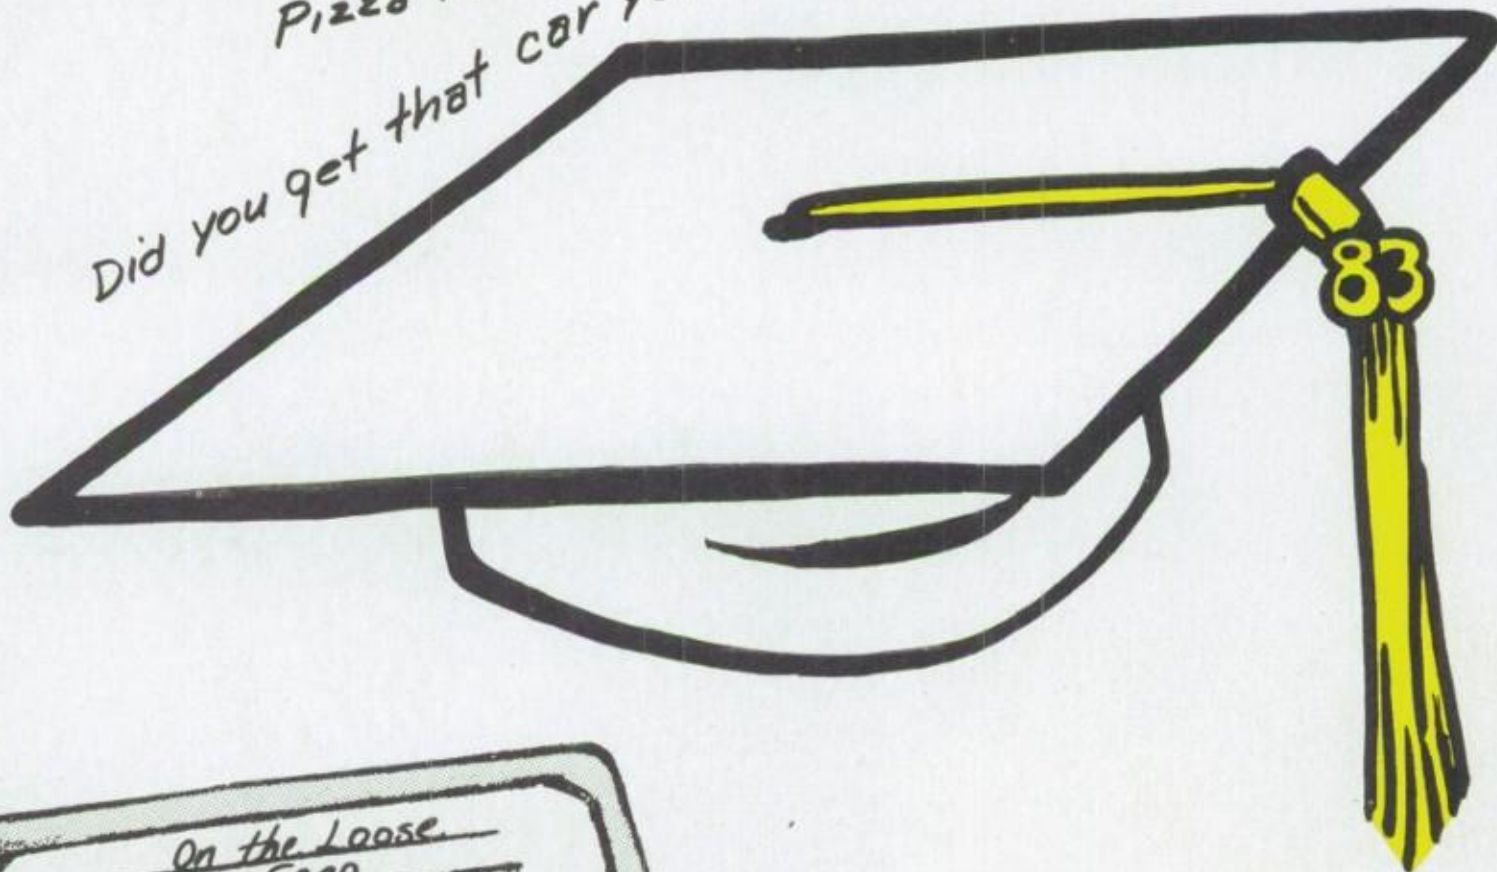

Meet me at
Pizza Hut!!

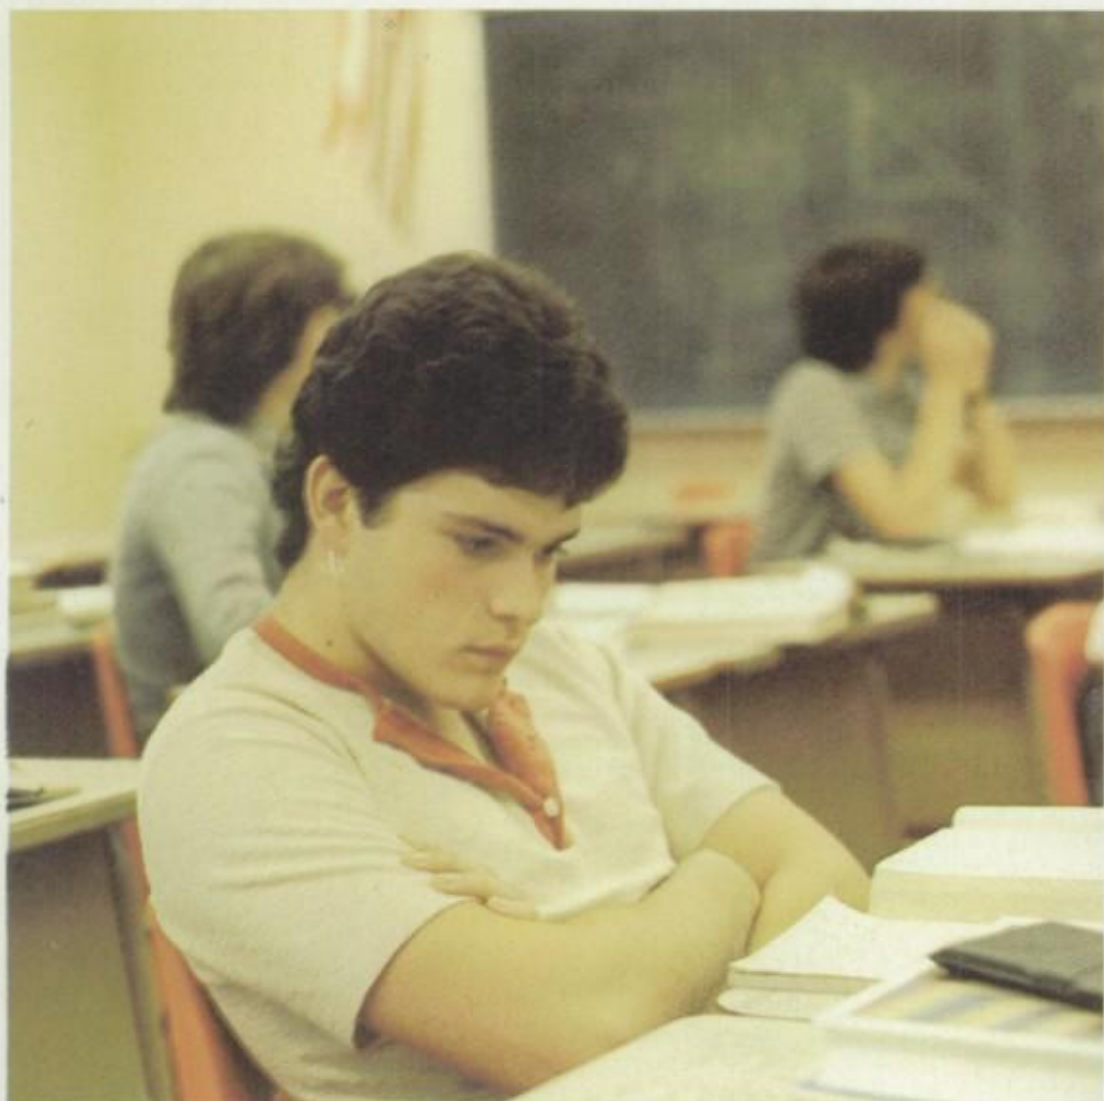

Did you get that car yet?

Nothing worse than
a senior in May!

How long have
they been together?
What's going on
this weekend?
Seniors!

Can I have a
ride up tomorrow
night?

How's that again, Mr. Haag?

"On the Loose"

by - SAGA

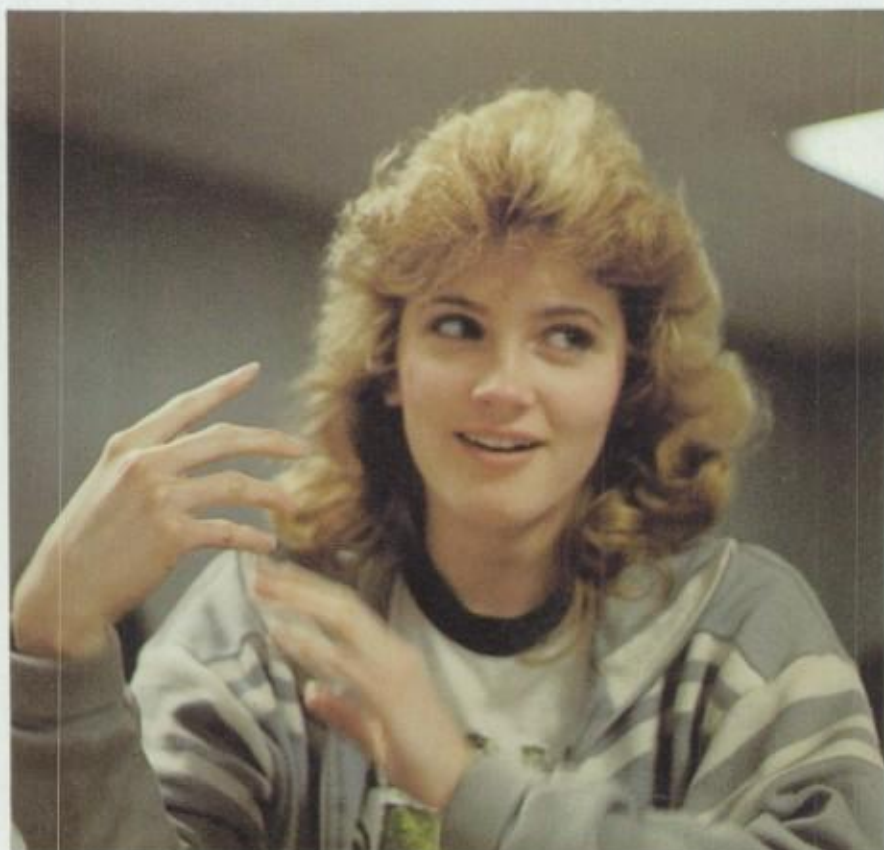

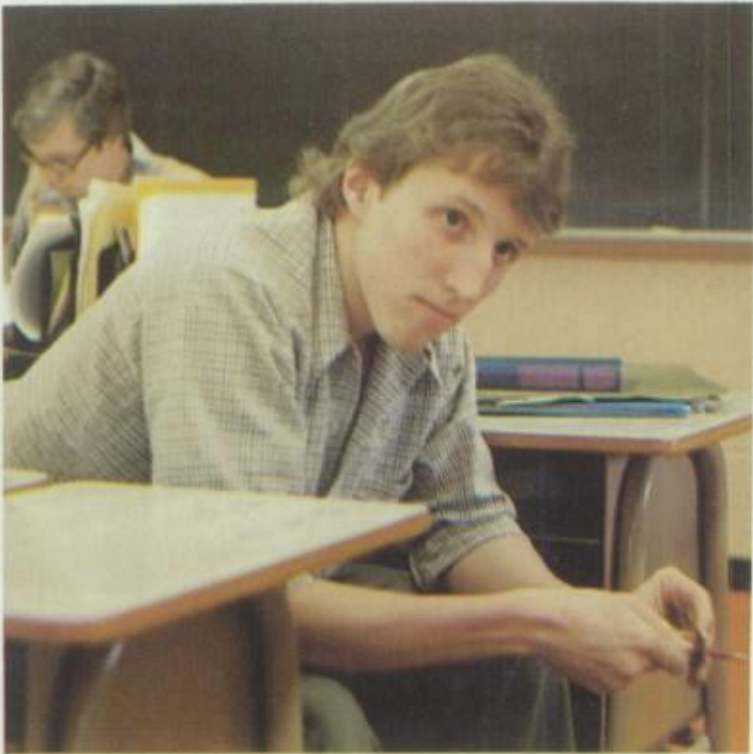

One day you feel quite stable

The next you're comin' off the wall

But I think that you should warn me

If you start heading for a fall

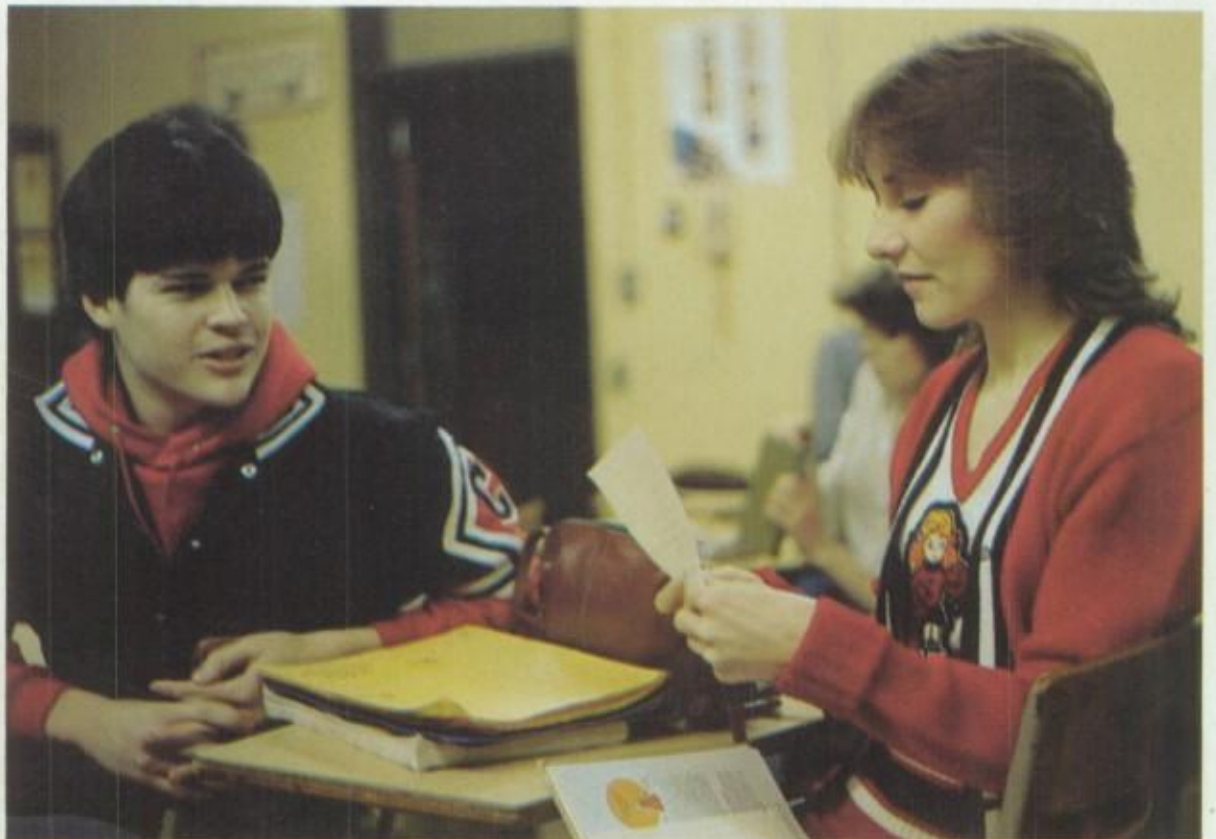

I see the problem start

I watch the tension grow

I see you keeping it to yourself

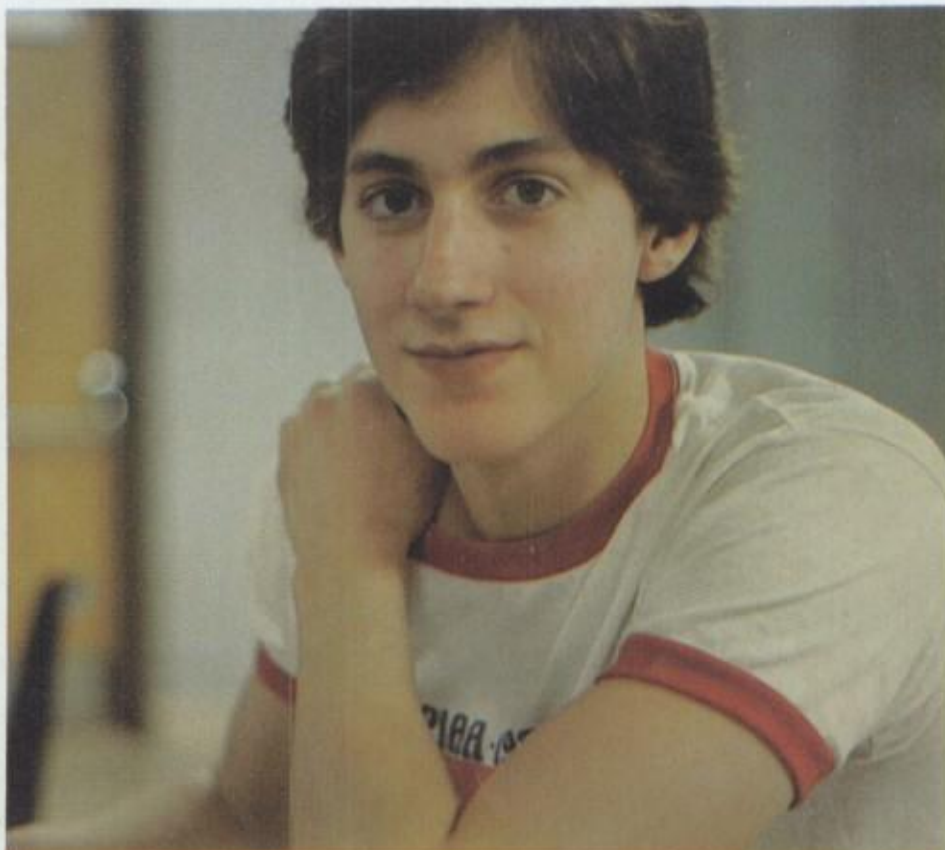

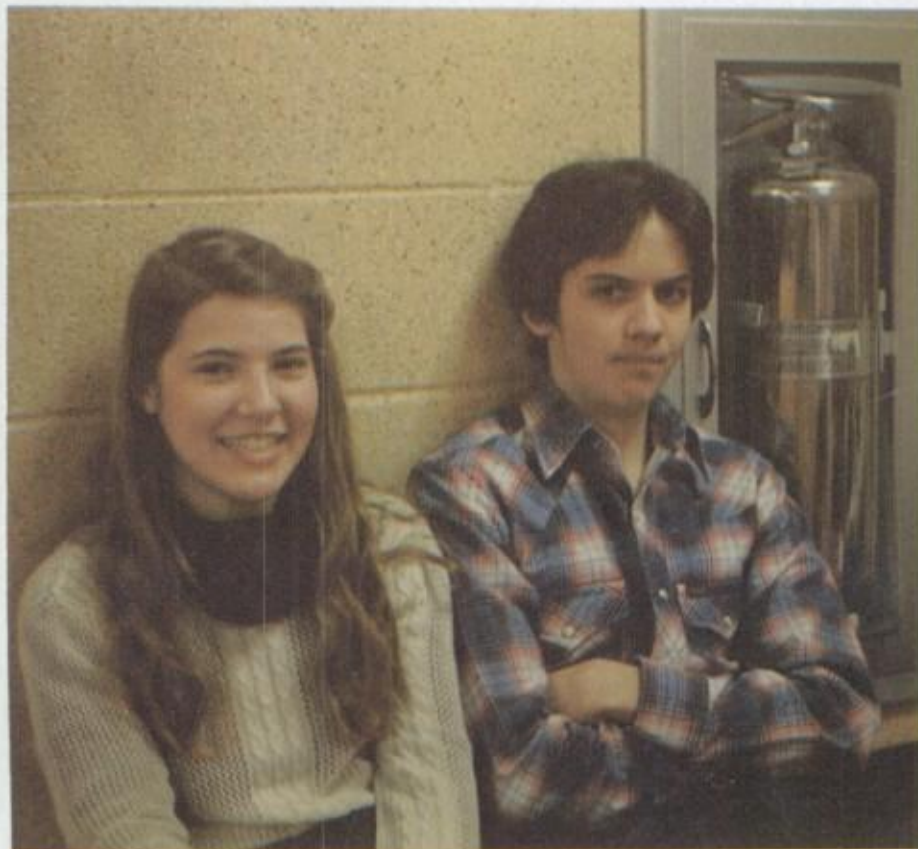

And then instead of reaching conclusions

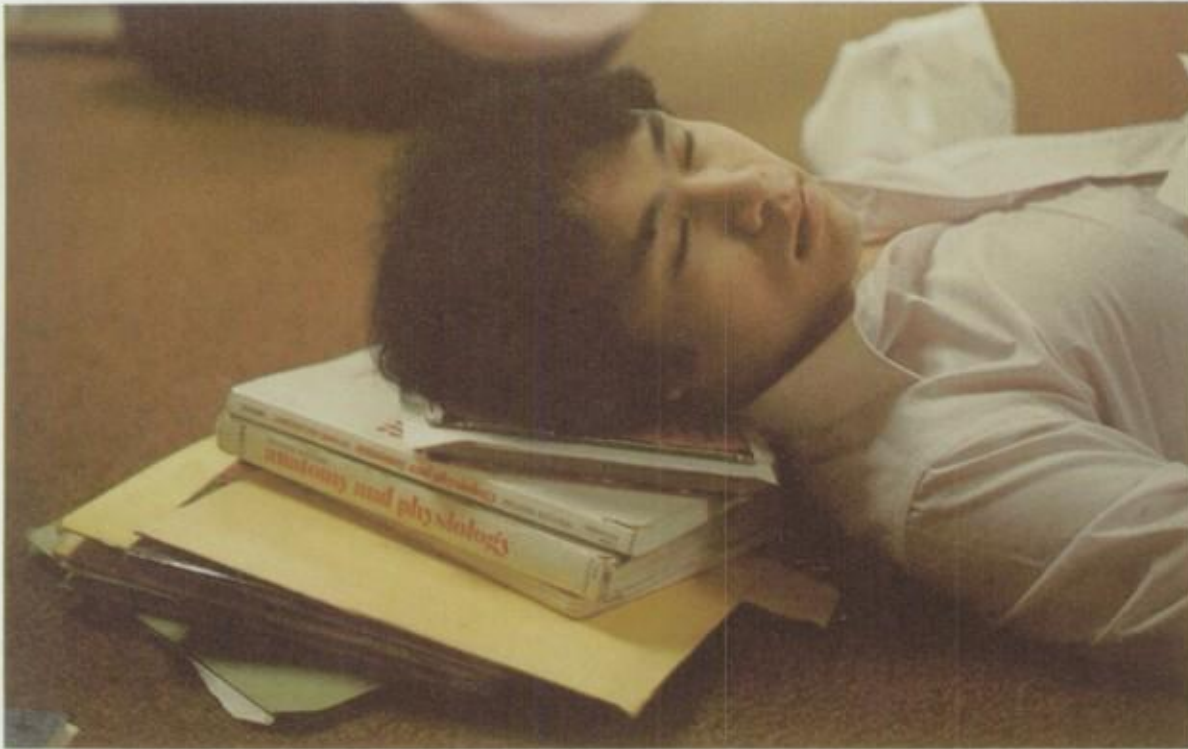

I see you reaching for something else

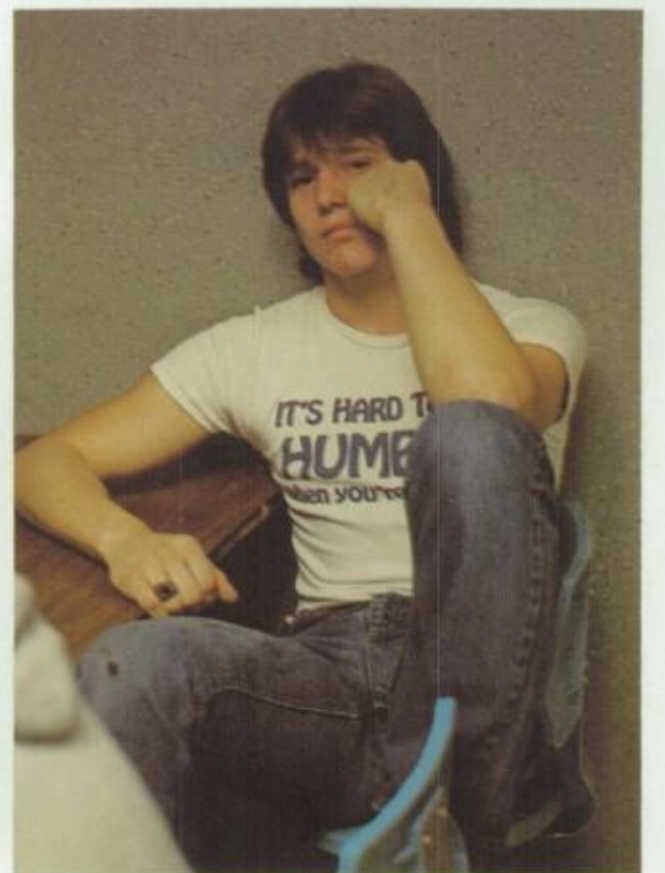

No one can stop you now
Tonight you're on the loose
No one can tell you how
Tonight you're on the loose

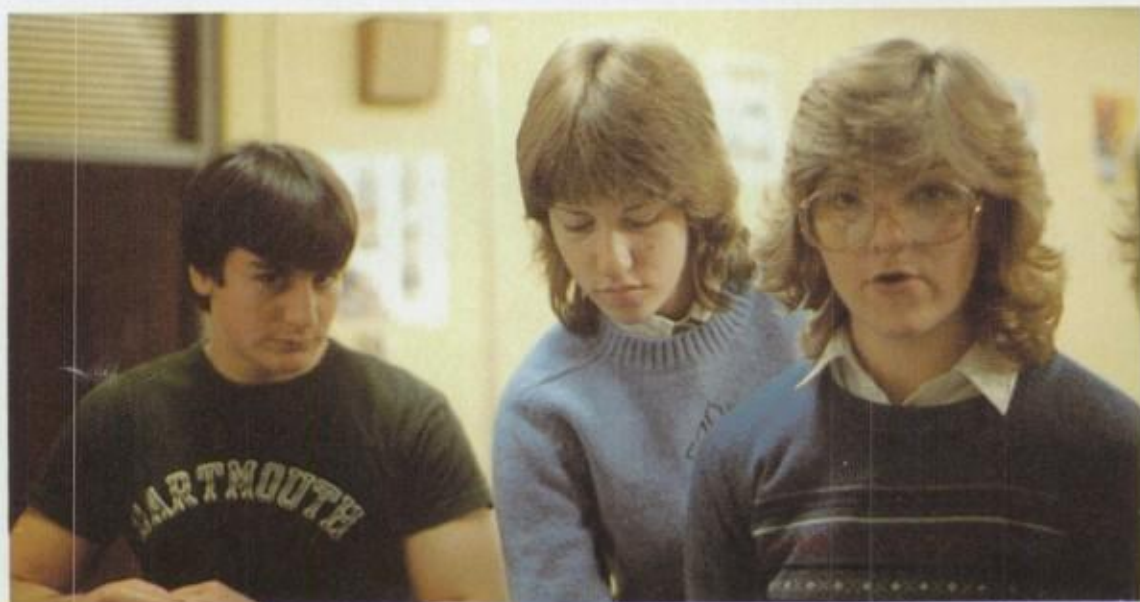

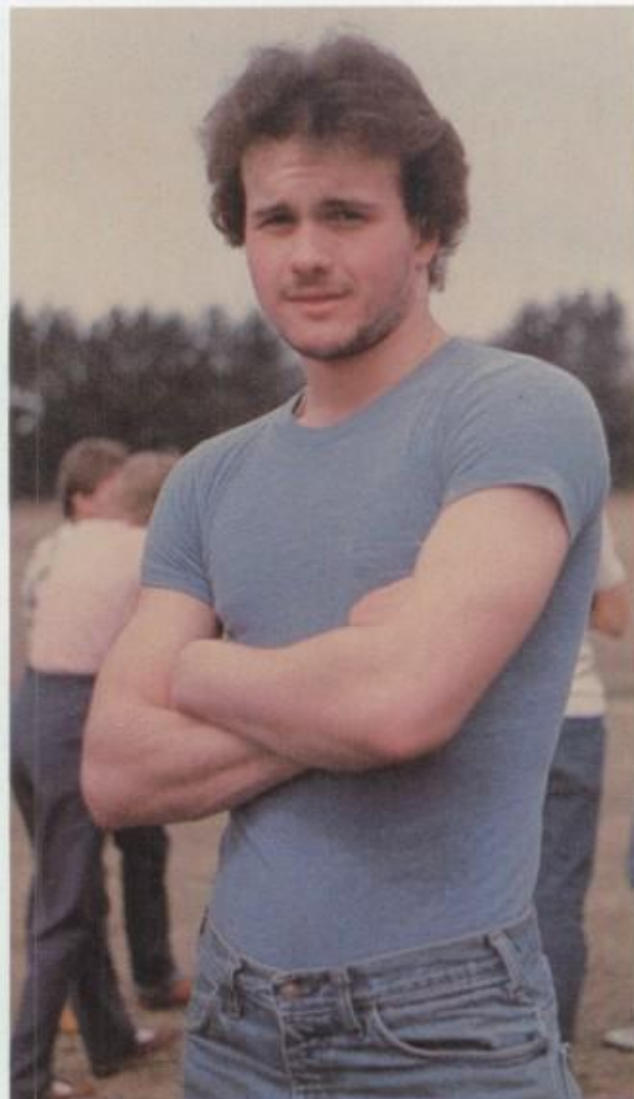

*I see no harm or danger or in escaping
If the method suits the style
We put the mind on **idle**
And let the others take it for awhile
When the pace is too fast
And you think it won't last
You know where I'll be found
I'll be standing here beside myself
Getting ready for the final round*

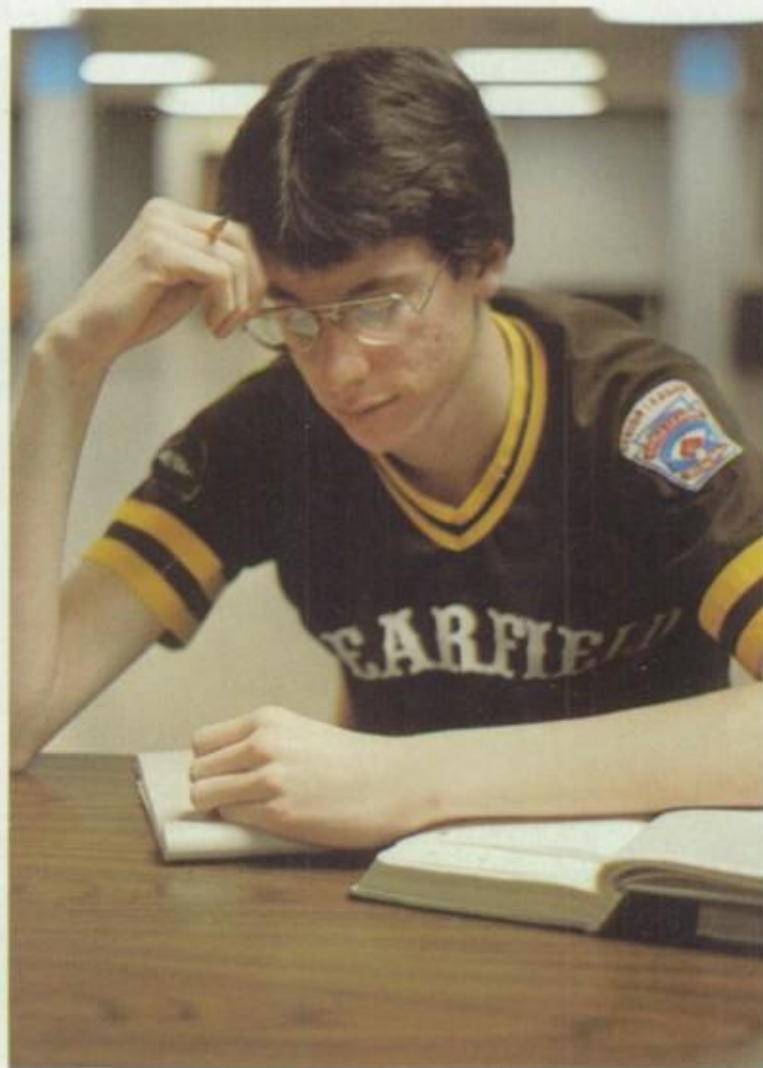

No one can stop me now
Tonight I'm on the loose
No one to tell me how
Tonight I'm on the loose

*The time we feel most stable
Is the time we're comin' off the wall
And there's every indication
We may be heading for a fall*

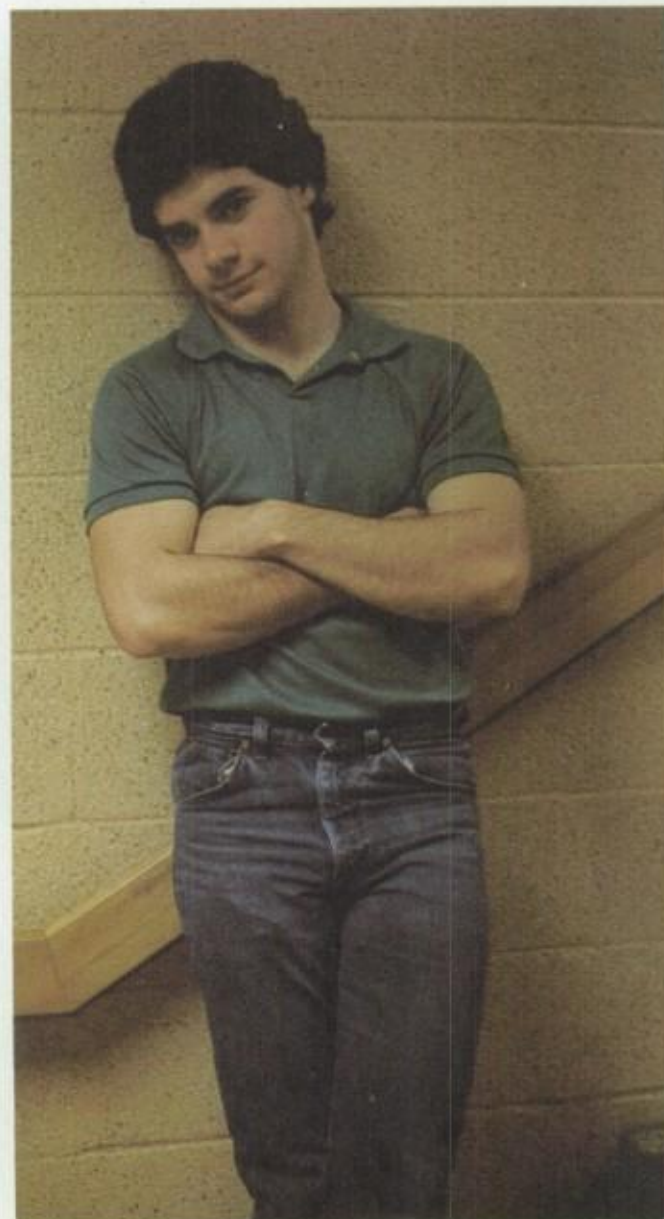

So let the problems start

And let the tension grow

We'll be keeping it to ourselves

And while they're busy reaching their conclusions

We'll be reaching for something else

*No one can stop us now
Tonight we're on the loose
No one to tell us now
Tonight we're on the loose*

We dedicate the Faculty section of the 1983 Bison to Mr. Miles Smith. Mr. Smith taught at C.H.S. for thirty-six years. He was the head of the Math Department for twenty-five of those years. He is also noted as the boys' basketball coach for fourteen years. Students who had the privilege of being in one of Mr. Smith's classes will remember him as one of the greatest teachers they ever had.

"Being The Best That You Can Be"

This was the motto for the 1982 Bison Football Team and they lived up to it and more!!! The Bisons for 1982 made one of the biggest turn-arounds possible in football. They went 9-2 winning the Big 3 and Progressland Trophy. Their season was one of the 4 best records in the history of Bison Football. More important than the record or the trophies is the lessons learned by every member of the team. If you pursue a goal with a single mindedness and you are willing to sacrifice and pay a huge physical price, then you can win and will. The team was very fortunate this year to have a group of outstanding seniors. They were the leaders of this 54 man team. The 1982 Bisons have set a new standard by which all the future Bison Football teams will be judged. Nothing is ever handed to you in this life but this team went out, set their goals high, worked hard and they made it. Good luck to all the seniors and be ready to all the future Bisons the 1982 season is one tuff act to follow.

Termed as a rebuilding year, the 1982-83 Bisonettes looked forward to the start of the season. The Bisonettes got off to a quick start by winning their first three games over West Branch, P.O., and Curwensville. However, hard times set in, and the Lady Bisons lost nine of their next ten games. The only bright spot being a 41 - 38 victory over eventual District 9-AAA champion, Bradford. The last one third of the season saw the Bisonettes get back on track by defeating Brockway, St. Francis, and a good Hollidaysburg team.

The Bisonettes then entered the District 9-AAA Play-offs. After defeating Du Bois 62 - 49, the season ended with a 36 - 23 loss to Punxsutawney, in the semi-finals.

The leadership provided by seniors Renee Shaw, Joan Natoli, and Ginger Welder will be greatly missed. Ginger being named MVP, was selected to the Laurel League All Star Team and led the Progressland area in scoring. Renee was selected by her teammates as this season's most improved player.

Returning for next years team will be letterwinners Kathy Hartley, Doreen Shugarts, Linda Smith, and Kim Bowman.

The 1982-83 Bison Basketball team finished with a record of 12-14, with a 4 & 8 record in the District IX League. Seniors finishing out the season were: Darrin Spingola, Scott McCracken, and John Spingola. Highlights of the season were the winning of the West Branch Holiday Tourney, with Scott McCracken being named to the All-Tourney team. Scott was also named to the District IX All-Star team and selected the team's most outstanding player. Darrin Spingola received the team's most valuable player award, with Dean Spingola getting the defensive award, and Dan McClellan getting the rebounding award.

The J.V. team finished with a record of 13-10 and the 9th grade record was 15-5. This was the first time in many years that both the 9th grade and the J.V. teams finished with winning records, this should lead to big things for the Bison Varsity in the future.

Coach: Willie Vokes

The Clearfield High School Golf Team had a very successful season this year. With three returning senior lettermen, Don Butler, Eric Hoover, and Rob Bonsall, rookie coach Willie Vokes' Bison golfers finished the season with 13 wins and 3 losses. The golf team finished second in the eight team Allegheny Mountain League with a respectable 11 wins and 3 losses. Two losses coming to the league champion St. Marys High School. In the first annual Curwensville Invitational Mid-Season Golf Tournament the trio of Don Butler, Eric Hoover, and Greg Owens put the Bisons in a seventh place finish behind tournament champion State College. The District IX Golf Tournament held at Brookville's Pinecrest Country Club was a big success for the Bison trio of Don Butler, Eric Hoover, and Rob Bonsall. The Bison seniors finished in a tie for fifth place out of twenty-two schools. Don Butler capped an excellent season by winning a District IX championship by virtue of his sixth place playoff finish. Eric Hoover finished tied for thirteenth and Rob Bonsall tied for 31st place out of 66 golfers. Major award winners at the Spring Sports Banquet were: Don Butler - Outstanding Golfer Award, Eric Hoover - Golf Leadership Award, and freshman letterman Mike Ferguson - Most Improved Golfer. Special recognition was given to the four year lettermen Don Butler, Eric Hoover, and Rob Bonsall. Other members of the 1983 golf team were freshmen letterman Brian Vokes and junior varsity members: Jeff Mease, Gerry Hatcher, Paul Dale, Jeff Bertram, and Charles Wurster.

Under the first year head coach, Willie Vokes, the 1983 Golf team finished the season with a 13-3 record for varsity and a 4-8-1 for J.V.

The varsity was not as fortunate this year as last year to receive a District IX title, but did have a successful season.

Next year the varsity will be left without the services of Donny Butler, Eric Hoover, and Robbie Bonsall who were the top three golfers for the 1983 season.

The Bison seniors leave coach "Chilly" Willie with a good out look for the varsity of "84" and hopes and prayers that he will have a J.V. Team.

With the leadership of Madar Nagle the 1982-83 French Club cooked up a lot of fun. Over 70 students participated in the French Club and with the new imaginative ideas of both Madar Nagle and the officers and the cooperation of all of the members the entire club had a great French year. Their first festivity of the year was the annual Halloween /imitation party, then they shared an international French-Spanish (club) Christmas, where they traded foods and customs with each other. Later in the year the club participated in the Mardi Gras, and also prepared a delicious crepe party. They even created a new tradition of French Class breakfasts which is now eagerly looked forward to by many of the underclassmen. After such an exciting year only one thing remains to be said: Vive le cercle de Francais.

Spanish Club

For many years Clearfield High School has not had an organized Spanish Club; however this year a club was organized to accommodate students in all levels of Spanish. Early in the year the following officers were elected: A. J. Levin, President; Mary Dugan, Vice President; Kelly Learish, Secretary; and Dawn Johnson, Treasurer. Kelly Learish wrote and presented a charter which was revised, then accepted at a general meeting. One major activity for the year included a combined Spanish-French Club Christmas party in which students prepared and served foods typical of each country. Customs of the season and Christmas Carols were presented by members of both organizations. For the past month the Spanish Club has been involved in fund raising projects with the money going into the general treasury. Presently the club is planning a trip to Madrid, Spain in April 1984.

The Clearfield F.F.A. Chapter had another outstanding year of club activities during the 1982-83 school year. Some of the events that highlighted this year's activities were as follows: Our F.F.A. Chapter exhibit entitled "Rats are Brats" placed second in the State contest at the Penna. Farm Show. The six member Demonstration Team, that demonstrated how to control rats on the farm and in the home, placed 6th in state competition at the Penna. Farm Show. Members included Matt Thomas, Paula Knepp, Joel Gustafson, Tim Owens, Jess Neeper, Steve Howell. Two members of our F.F.A. Chapter, Terry Stiles and Jean Hemphill, earned the Keystone Farmer Degree which is the highest degree our state association can bestow. This year's State F.F.A. contest held at the Penn State University was the most successful state contest ever attended by our chapter. We came home with four gold medals, one silver medal, and two bronze medals, won by our members in various contests. At the very top of the list of this year's activities, James Mackereth was elected and served as State Vice President for the North Central Region of the Pa. F.F.A. Association. Jeffry Carns was selected for the American Farmer Degree which is the highest F.F.A. degree that can be earned by an F.F.A. member.

Prom Decoration Committee

A special thanks goes to all of those who helped in making this year's prom one of the best. Mr. Harvey Haag deserves more credit than mere words can express. The Junior Class Officers: Steve Pennington, Kelly McMillen, Sue Shaffer, and Jennifer Ianaro also helped in this very involved task. A very special thank-you also goes to Andy Swales, Mr. Bill Mackereth, Mr. Mike Kennis, and the senior masonry students from the Vo-Tech for devoting their time toward making our prom a success. We would also like to thank all of the local businesses whose products helped to create the atmosphere of the prom. There were also many others whose help was appreciated very much, but space prevents the mentioning of all who helped. With the assistance of everyone involved, we were truly "Lost in a Dream" on Friday, May 13, 1983.

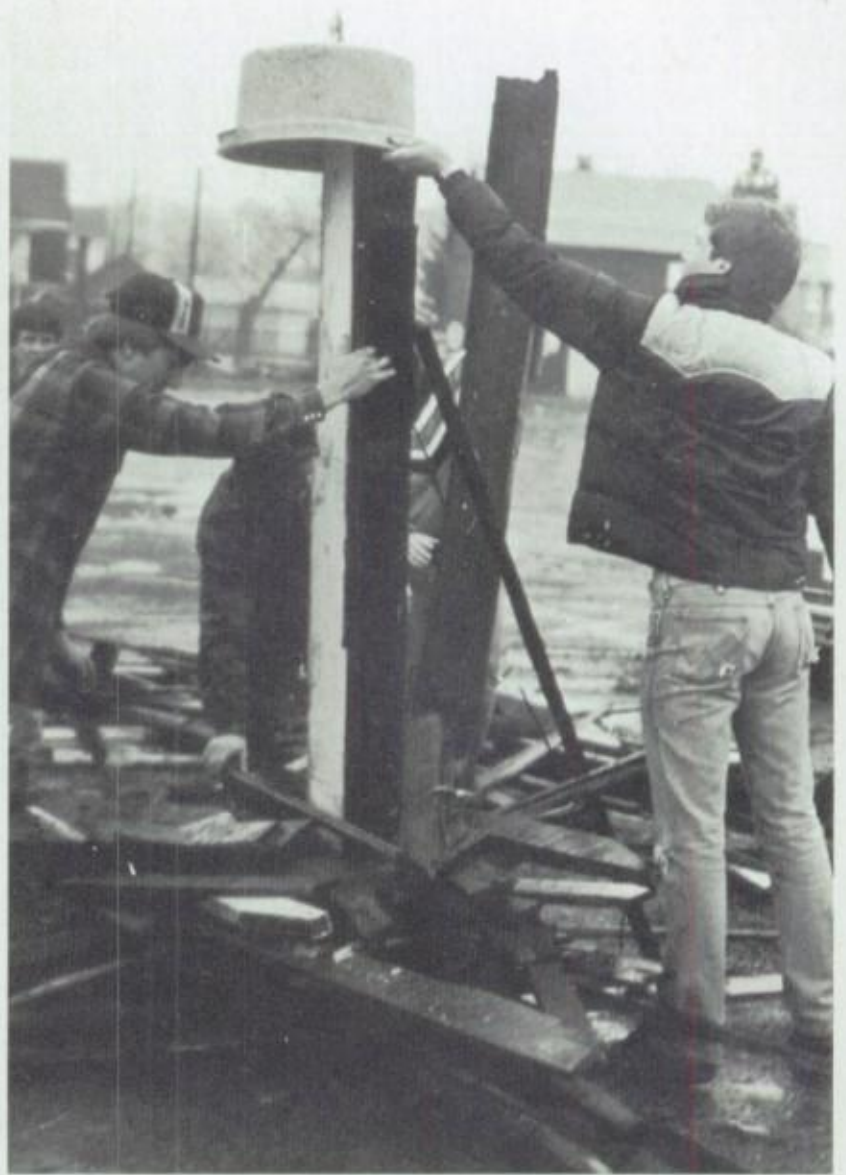

Sincerely grateful,
Randy Swales

Farewell Class of 1983

We all want to be a success in life, some achieve heights of fame in their fields. Others lead quiet lives, yet who can say that they are not equally successful. Picture a complicated system of freeways with traffic going simultaneously on several levels. Success is like that. Each person has his own goal or destination. If each is traveling carefully and steadily toward his goal, who can say that one is more successful than another.
